**ADMINISTRATIVE LAW JUDGE'S RULING
MODIFYING PROCEEDING SCHEDULE**

Summary

This Ruling grants the uncontested request of Pacific Gas and Electric Company and the Office of Ratepayer Advocates to modify the procedural schedule in this proceeding, as detailed below.

1. Background

This proceeding concerns compliance, verification and reasonableness issues related to Pacific Gas and Electric Company's (PG&E) Energy Resource Recovery Account for the Record Period January 1, 2013 through December 31, 2013. On May 6, 2016, an Amended Scoping Memo and Ruling of the Assigned Commissioner (Amended Scoping Memo) granted PG&E's motion to set aside submission of this proceeding and reopen the record to allow for the submission of a revised Root Cause Evaluation of an outage that occurred in 2013 at Unit 2 of

the Diablo Canyon Power Plant. The Amended Scoping Memo set deadlines for PG&E Testimony, Testimony by the Office of Ratepayer Advocates (ORA) and other intervenors, PG&E Rebuttal Testimony, Hearings, Concurrent Opening Briefs, and Concurrent Reply Briefs.

On July 14, 2016, PG&E and ORA filed and served a Joint Motion to Modify the Procedural Schedule adopted in the Amended Scoping Memo, because ORA required more time to conduct discovery. On July 28, 2016, counsel for ORA sent an e-mail to the assigned Administrative Law Judge (ALJ) and the Service List, requesting a further modification of the schedule proposed in the July 14 Joint Motion, again because ORA required more time to conduct discovery. ORA stated that PG&E supports its request.

2. Discussion

The July 14, 2016, Joint Motion to Modify the Procedural Schedule is granted. The revised schedule is presented below, and includes the additional time requested by ORA in its July 28, 2016 e-mail.

Event	Date
PG&E Testimony	June 20, 2016
ORA/Intervenor Testimony	October 3, 2016
PG&E Rebuttal Testimony	October 27, 2016
Hearings	November 14-15, 2016
Concurrent Opening Briefs	December 9, 2016
Concurrent Reply Brief	January 9, 2017

Consistent with Pub. Util. Code § 1701.5(a), the Commission anticipates that this proceeding will be completed within 18 months of the May 6, 2016 scoping memo. This case will be submitted upon the filing of reply briefs unless the ALJ orders further evidence or argument.

IT IS RULED that:

1. The July 14, 2016 Joint Motion of Pacific Gas and Electric Company and the Office of Ratepayer Advocates to Modify the Procedural Schedule is granted.
2. The schedule to conclude this proceeding is set forth in Section 2 of this ruling, unless amended by a subsequent ruling of the Presiding Officer.

Dated August 2, 2016, at San Francisco, California.
